Mentor a Child Plate Purchase Instructions

Follow these steps if you are purchasing a Mentor a Child plate for the first time.

(See below for renewal instructions if you already have this plate.)

Step 1

Visit <https://myweb.in.gov/BMV/mybmv/Default.aspx> and sign in to your myBMV account.

If you don't have one, registering for one is easy and takes only seconds—you just provide your driver's license number, the last 4 digits of your social security number, and your zip code.

That's it! (You may also renew your registrations without an account at the bottom of the same page.)

To the right of the password field is a checkbox labeled "Remember Me". Below these fields is a "Login" button. A red arrow points to a link that says "Create Account". To the left of the arrow, there is red text that says "click here if you need to register for a myBMV account". Below the "Create Account" link are two more links: "Forgot your password? Click here" and "Forgot your username? Click here". At the bottom of the page, there is a link that says "Click here if you wish to renew your registrations without creating an account" and another link that says "Return to the BMV Website."
