## We do it for the kids.

Our statewide and local data helps you design programs and make decisions to improve the lives of youth.

## We create change.

Our team develops innovative data solutions to address today's youth development issues and encourages others to join us in our efforts.

## We work together.

As your ally, we partner and connect with you in research and utilizing data to drive change.

## We empower our partners and peers.

We provide access to critical data and resources that can be used in planning, reporting, grants and evaluation.

## We advocate for others.

We use data and research to amplify the voice of others to inspire action for measurable and positive change.

*Championing Kids. Strengthening Communities.*

The Indiana Youth Institute would like to thank the following sponsors for their support and commitment to the youth of Indiana:

THE ANNIE E. CASEY  
FOUNDATION
